

# DUAL CHARGING ALARM CLOCK

## CAPABLE, DURABLE, STRIKING.

This striking alarm clock is compact in size yet delivers the features you'd expect, such as an FM radio, snooze, sleep functions and dimmer. Plus there's an additional USB charging port in the back allowing you to charge your iPod/iPhone along with a second device at the same time. The front facing dock features a unique hinged connection developed to make docking easier and create extra protection for your Apple device.

## TECHNICAL SPECIFICATIONS

Additional USB charging port - for convenient simultaneous charging of multiple devices including Android and other smartphones

Compact, striking design requires minimal space on your desktop or shelf

Built-in FM radio and dual alarm settings

Hinged dock accommodates most cases and protects against jostling

iPhone/iPod compatibility plus alarm clock and FM tuner app

Battery backup

Multiple audio wake-up options - iPod, FM radio or buzzer
